

Request a Finnish identity code and registration of personal data

Thank you! The form has now been sent.

Please note that in addition to sending the form, you must also personally visit a service location of the Digital and Population Data Services Agency within one month of sending the form. If you also requested a personal identity code for your child, bring the child with you.

1. Make an appointment with the “Registration of a foreigner’s personal data” service at www.dvv.fi/reservation
2. If necessary, fill out forms on your [family relationships](#).
You must also present us with an official certificate showing the information. Saving the information requires that you present original and legalized certificates of your family relationships. Read the detailed instructions on the [legalisation and translation of documents](#).
3. The confirmation message for your reservation will tell you what you need to bring with you to the appointment.

NOTE. If you are student , you only need to book an appointment if your education institution does not arrange a joint visit. Check with your education institution or tutor whether your education institution has booked a joint visit.
