Stamp and signature

The confirmation of arrival must be uploaded signed and stamped to Mobility Online by the student. Alternatively, the receiving institution can send this confirmation to the International Office of the FH Vorarlberg to confirm the student's arrival: exchange@fhv.at
This confirmation is only to be used for placements that begin virtually without specified date of arrival at the time of the nomination. The submission of this confirmation is the prerequisite for grant calculation and preparation of the grant agreement. The Erasmus+ grant may only be approved for the actually completed duration at the host institution and/or in the host country. The actual duration of the stay is calculated on the basis of the Confirmation of Attendance. Students, who have already received the grant letter prior to arrival, are exempted from sending the Confirmation of arrival. They only need to send the Confirmation of Attendance at the end of placement period.
